## Gama Velasco

### *Project Manager*

Gama joined Memory Builders in 2019 as a Custom Homes Project Manager. Gama comes from a family of custom residential company specializing in hardwood floors, drywall, and painting. Gama started working at a young age sanding baseboards to finishing custom homes to the last detail. With more than 20 years of experience, Gama has had the opportunity to bring back to life many historic homes in the Heights area. Gama takes pride in his work keeping Memory Builders clients happy and treating the trades right because without them we would not be able to achieve what our clients expect and want from us.
